

Cashless wristband

What is it exactly?

It is a completely dematerialised means of payment. Simpler and faster, this contactless payment system will **make your holiday easier!**

Smart!

Waterproof and usable throughout the season

1

I credit my wristband
the amount of my choice
at the reception or on www.cashless.fr

How does it work?

One wristband per adult
(Child wristband on request)
Minimum amount: 20 €
(cash or credit card)

The good idea!

Load a global amount and distribute it
for each member of the family.
Children manage their pocket money this way!
(Come to reception to distribute the kitty)

The +

Load your wristband again
at any time during your stay!

2

I enjoy
and consume freely
in the campsite

Where to use it?

At the bar, for takeaway,
or at the grocery shop.
The credit card can still be used
at these points of sale.

The +

Track your expenses in real time
on your cashless.fr account!

3

I collect the balance
at the end of my stay
on www.cashless.fr

How to do it?

- The request must be made on www.cashless.fr,
- repayment fee: 1 €,
- any refund request must be made before 15th October of the credit year.

Make your
purchases easier!
